## Message from Ms. Lynn

We're keeping our newsletter short this week because we know how hectic this time of year is, and we understand you may not have time to read a long newsletter.

Yard Sale—Thank you to everyone for your donations and work to make our school yard sale a success. We raised \$2300. A special thank you to Ms. Peggy Bramblett for the many hours of work she put in setting up, pricing, selling, and packing up at the end. Her grandson Zach also did a great job as cashier!

Conferences—Thank you to all of our parents who made time to come to conferences last week. It is a great opportunity to celebrate the progress your children have made as well as brainstorm ways to continue to help them thrive.

Year-End Performances—Your children have been working hard to prepare for the year-end performances. I am confident that they will all do a wonderful job, and we hope you all can make it out to see them perform! The performances will likely last approximately 30 minutes, after which you will be invited back to your child's classroom for some finger foods.

This week, we've had a visit from Mr. Ed, field day, soccer game, Kona Ice, Adam the Juggler, and Safari Bucks. Please visit our Facebook page for more photos of our exciting week!
